Borough commander's promise to criminal fraternity...

## YOU WILL SEE MY OFFICERS SOON

POLICE swooped on locations  
across the borough on Wednesday as  
part of a crackdown on criminality.

Barking and Dagenham Police  
officers were joined by specialist  
units to carry out arrests, search  
warrants and licensing enforcement  
as part of Operation Big Wing.

Senior officers described the one-  
day raids as the 'most wide ranging'  
to date.

Barking and Dagenham Police  
Borough Commander Andy Ewing  
had issued a warning to criminals on  
the eve of the campaign.

He said: "To those who victimise  
the people of Barking and  
Dagenham, you will see my officers  
soon."

Officers carried out street briefings  
and police surgeries throughout  
the day to inform the public on what  
was being done to tackle crime and  
disorder.

Among the most high profile  
arrests were those wanted on war-  
rant, gang members, burglars and  
domestic violence suspects.

Commander Ewing added:  
"Through Operation Big Wing we  
are sending a strong message that  
crime is not tolerated in Barking and  
Dagenham and I ask the community  
to join with us by continuing to pro-  
vide information about crime and  
criminals in your area."

He appealed for more people to  
come forward to help officers.

"Tell us, we will listen and we  
will take action," he said.

Chief Supt Simon Letchford of the  
Met's Territorial Policing Command  
said the operation was about show-  
ing local people that officers were  
listening to their concerns.

He added: "We are here to serve  
the public, and we hope today's  
activity will be one way of showing  
some of what we do every day to  
make London safer for our commu-  
nities."

# Children’s artwork to go on display

YOUNG children will have their artwork displayed In Redbridge Central Library until May. The West Ilford Betterment Partnership brought together artists and religious leaders to work with youngsters on Monday. Organiser Wilson Chowdhry, Chairman of the British Pakistani Christian Association, said: “We were really pleased that despite the cold weather children from all over Clementswood and Loxford ward took part in our workshops. “Participants gelled well and were very eager to learn about other faiths, much of this was due to the engaging manner in which our guest speakers described the precepts of their faiths. The artwork produced was impressive to say the least and is well worth a trip to Central Library.” In total 42 Children aged between 5 and 11 enjoyed learning about the historic art of mosaics. Hannah Chowdhry, 9, said; “When I started I thought it was going to be difficult, but the teacher made it very easy for us to create our images.”

# Diabetes rates set to soar

DIABETES is predicted to rise by 50 per cent in Barking and Dagenham in the next 20 years because of increased obesity. Latest research shows the borough already has one of the highest rates in Britain, but that is about to boom. Now two of the borough’s top officials have been called to a meeting of Barking and Dagenham Council’s health and adult services select committee on March 6, to explain how the problem can be eased. A report due to be presented at the meeting concludes: “Sources indi-

cate that diabetes is expected to increase by about 50 per cent over the next twenty years in Barking and Dagenham as related conditions such as obesity continue to rise.” The Joint Strategic Needs Assessment (JSNA) estimated that at least 1,642 people remained undetected as having the condition as of November 2012. Councillor Maureen Worby, Cabinet Member for Health and the Chair of the Health and Wellbeing Board and Dr Waseem Mohi, Chair of the Barking and Dagenham

Clinical Commissioning Group (CCG), have been invited to speak. They aim to explain why the rate in Barking and Dagenham was 2.1 per cent per 100 on the diabetes register, in comparison to 1.6 per cent nationally and in London. In 2010/11 the costs for anti-diabetes items (per diabetic patient) was found to be higher than any other Outer North East London (ONEL) Borough. The committee is particularly concerned that residents may not be managing their condition as effectively as they could be.

Although poor diet is key to the rise, NHS managers criticised GPs and other professionals not reinforcing the importance of the Health Checks and actively encouraging patients to have their annual check up. Members also found that although an excellent level of support was given through the Barking and Dagenham Diabetes Support Group, this was aimed at older people who lived with type 2 diabetes and that there was not a support group within the Borough which gave help to younger people.

# Council gets tough on dog owners

A CRACKDOWN on dangerous dogs could see two parks in the borough made canine-free zones.

Waltham Forest Council said it will consult on introducing its plans to make the borough's parks and open spaces 'more pleasant and safe'.

The parks affected are Thomas Gamuel Park, off Boundary Road, and Lloyd Park, Forest Road, E17, although many more will be designated for dogs on leads only.

Deputy council leader Clyde Loakes said: "We're consulting residents on whether to put in place new orders that mean dogs must be kept on leads in a number of parks and open spaces and excluding dogs from other areas altogether."

"We've listened to park users, reviewed information gathered by our Dog Enforcement Team, and assessed problems reported to the council around anti-social behaviour demonstrated by irresponsible dog owners."

The dog crackdown will also see proposed introduction of control orders that reduce the maximum number of dogs that a person can walk at one time from six dogs to four. It will also become an offence for a

owners not to pick up after their fouling dogs at burial sites, cemeteries and all public car-parks.

The following areas are proposed to be added to the schedule for areas where dogs must be kept on leads:

- Higham Hill Recreation Ground, Sutton Road, E17

- Jubilee Park, Marsh Lane E10

- Kitchener Road Park, Kitchener Road, E17

- Langthorne Park, Birch Grove, E11

- Lloyd Park Forest Road, E17

- Ridgeway Park, The Ridgeway, Old Church Road, E4

- St James Park, Essex Road E17

- All cemeteries and public car-parks.

The enforcement team has vowed to continue pursuing offenders through the courts, with action against two dog owners in the last week.

Ben Norton, 37, of Farmer Road, Leyton, pleaded guilty at Thames Magistrates Court, on February 19 to allowing his dog to be dangerously out of control in Forest Road.

He was ordered to pay £950 in costs and was issued with a Dog Control Order, requiring

him to walk his dog on a harness, muzzle and lead at all times in a public place.

The next day the Dog Enforcement Team joined police in a raid at an address in Grove Road, Walthamstow. An allegedly banned breed of dog was discovered at the address and seized.

Cllr Loakes added: "Yet again we have shown that we will not tolerate people who keep banned breeds or allow their dogs to be out of control in this borough."

"In Waltham Forest we have one of the largest Dog Enforcement Teams in the capital and are the only borough to actively enforce the Dangerous Dogs Act. If you have a pit bull type dog or allow your dog to be dangerously out of control in this borough you'll quite simply find yourself explaining your actions in court."

The news comes just weeks after two other cases were heard in court resulting in one defendant being subjected to a ten month Supervision Requirement Community Order and ordered to pay £700 compensation to the victim.

The other led to the issuing of another Dog Control Order along with a bill for costs totalling £1,500.

# Don't risk loo fine

PEOPLE will be fined for spitting and urinating in the street.

"It's horrible to witness and leaves an unsanitary mess on our paths and pavements," said Councillor Clyde Loakes, Deputy Leader and Cabinet Member for Environment.

"Why people think it is acceptable to indulge in what must be the most anti-social of all behaviours is a mystery to all right-minded people, but the fact is they do.

"Anecdotally we know that there are some problems, and obviously in areas with a night-time economy drinkers can sometimes relieve themselves in alleyways and the like."

The Council carried out a number of focus group sessions with residents to gauge how they felt about where they lived. Interviews with residents proved conclusive.

Cllr Loakes added: "As I say, I don't believe the vast majority of people need telling that it is wholly disgusting and entirely inappropriate in a public place, but patently there are some who require a form of sanction to bring them in line with the expected behaviour of everyone in our community.

"This move sends out an unequivocal message to those people who spit or treat our streets like a toilet – you will be issued with a fine and you will find it the most expensive penny you have ever spent."

Council Enforcement Officers will have to power to issue FPNs of £80 to anyone they spot spitting or urinating in

the street.

Loo campaigners Doreen Woods and Patricia Brannagan claim residents sometimes get caught short because Waltham Forest Council closed amenities in the area three years ago.

Mrs Woods, of Warwick Road, Chingford, said: "When young children need to go they can't wait and when you have no public toilets and businesses

who don't want people using there amenities, then there are two options drive home, which is unrealistic, or go in public.

"Of course, urinating in public is disgusting but there will be times when someone has genuinely done all they can to find a toilet without any luck.

"The council has created this problem by taking our public toilets away."

# Psychic to the stars to make stage debut

PSYCHIC to the stars Donna Murrell will be making her UK stage debut in Ilford.

Donna, who has a number of private celebrity clients, had up until now, been hosting house parties and giving readings to friends

and family.

Donna said: "The limited number of shows that I have been doing have proved so popular that I decided it was time for a theatre tour. I have had such positive feedback from people who have attended my events that I am really looking forward to

visiting the Kenneth Moore theatre next month."

Donna said she always had a rare gift, but wanted to ignore it.

Donna's paternal grandmother Freda Elizabeth French was a spiritualist and healer who was very well known in Hullbridge.

Donna said: "My grandmother helped me

understand that I had a sixth sense and I began attending spiritualist churches and sitting in circles to develop my skills but then as I got older I wanted to be a nurse and for a while I did work in a care home as I love the elderly.

Donna will be at the Kenneth Moore Theatre on Wednesday April 3, call 020 8553 4466 or visit [www.kmtheatre.co.uk](http://www.kmtheatre.co.uk) for details

# Toyota training school

ONE of Britain's most successful car companies is setting up a training school for engineers in Havering.

The UK arm of Toyota and luxury car maker Lexus is setting up the centre at the Centre of Engineering and

Manufacturing Excellence (CME) workshop in Marsh Way, Rainham.

The rookie technician programme will move from its current base in Surrey to east London on a five year contract and it will open on

April 1.

CME CEO Bill Williams, said: "We are delighted to welcome Toyota/Lexus to the CME campus. We have state of the art workshop, classroom and support facilities for

training technicians on the very latest vehicles.

"We are providing Toyota with everything they need in a tailor made package all under one roof."

"The arrival of a company like Toyota/Lexus, who are at the forefront of automotive technology, also sits very well with the reputation CME is developing as a centre of new technology and innovative engineering."

The Japanese owned giant will be taking over offices, classrooms, and an extensive section of the workshop floor at the CME technology campus.

The training base will provide space for twelve cars to be worked on simultaneously.

The facility will be used to train technicians from Toyota garages from all over the south of England and as far afield as the Isle of Man.

The new CME base will be used to train specialists on all the current and future models of Toyota and Lexus, including hybrid and electric vehicles.

THOUSANDS of people are expected to flock to the military and flying machines show this year.

The show, set in Damyns Hall airfields, Upminster will be bigger than ever this year, as it has been extended from two to three days.

**CONDITIONS OF ACCEPTANCE FOR ALL ADVERTISEMENTS**

Orders are accepted by the Publishers subject to the Standard Conditions agreed between the Newspaper Society and the Institute of Practitioners in Advertising. Save that:

1. Advertisements are accepted on the conditions that (a) descriptions relating to goods are accurate and in no way contravene the provisions of the Trade Descriptions Act 1968, and the Fair Trading Act 1973, and (b) the copy complies with the British Code of Advertising Practice. Advertisements offering credit or hire facilities must conform to the Consumer Credit (Advertisements) Regulations 1980.

2. 'Classified' Advertisers offering goods or service of a business, commercial or trade nature will, at the discretion of the Publishers, be deemed 'Trade Advertisers', and as such, must include their names in advertisements. A telephone number is an optional addition to these requirements and not an alternative.

To comply with the Business Advertisements (Disclosure) Order 1977, Trade Advertisers must make it clear that they are selling goods in the course of business either by content, format, size or place of the advertisement or by including words such as 'trade', 'dealer', 'agent', 'wholesaler', '(T)' etc. in the advertisement.

3. The Publishers accept no liability whatsoever for any loss or damage however caused arising out of:

(a) Any error, inaccuracy or omission in the printing or publishing of any advertisement;

(b) Any failure to publish an advertisement on the day / date or day / dates specified by the advertiser; or

(c) Any delay in forwarding or omission to forward replies to box numbers to the Advertiser.

4. The Publishers will endeavour to publish advertisements on the day / date or day / dates specified by the Advertiser but insertion days / dates cannot be guaranteed.

5. Where shrinkage of advertisement occurs for whatever reasons the advertisement will be charged to the nearest full centimetre. This will NOT apply to the full-page advertisements, which remain full pages even after shrinkage.

6. The Publishers reserve the right to reject an advertisement or to vary it in any way they deem fit, at any time before publication, whether or not the advertisement has already been accepted for publication.

7. Whilst every effort is made to minimise errors in advertisements, mistakes do sometimes occur. Advertisers or their agents should therefore check their advertisements and inform us of any errors immediately. Responsibility cannot be accepted for more than one incorrect insertion. Typographical or minor changes, which do not affect the value of the advertisement, do not qualify for republication or allowances.

8. All gross advertising rates (except classified lineage and semi-display) are subject to and include a 0.1% Advertising Standards Board of Finance surcharge, payable by the advertisers to help finance the self-regulatory control system administered by the Advertising Standards Authority.

9. All rates quoted are subject to VAT at the rate currently in force at the time the advertisement appears.

10. Should the rate for advertisements be altered the price for remaining insertions shall be revised accordingly or the publishers shall have the right to cancel the unexpired portion of the order.

11. The placing of an advertisement order will be deemed an acceptance of these conditions.

12. Account facilities are granted at the discretion of the Company.

13. All accounts must be settled within the terms agreed by the Company and the Customer.

(1) Should an advertiser be in breach of the agreed terms, the publisher shall be entitled to levy a 10% surcharge on the value of the whole debt in respect of accounts with terms of less than 30 days, and any discounts or commissions that had been allowed will be reclaimed.

(2) Regular monthly accounts that are in breach of the agreed terms will pay an interest rate of 6% above the current bank of England base rate for each month that the account is overdue and discounts or commissions that had been allowed will be reclaimed. Should legal action be required the interest will be charged in accordance with the County Court Act 1984.

14. Where an advertiser instructs / appoints an advertising agent to act on their behalf, the advertiser will remain jointly and severally liable for payment in respect for an advertisement(s) should the appointed agent fail to pay. For the avoidance of doubt, the agent acts for the advertiser and not for the publisher with the agent being responsible for notifying the advertiser of this liability.

15. All queries must be notified, preferably in writing to the accounts department of the publisher within 7 days of the invoice date.

16. All digital services are maintained in partnership with the publishers' hosting service providers. Every effort is made to ensure the continuity of these services, but some occasional technical downtime beyond the publishers control may occur. The publisher and its associated companies shall be under no liability if the production and distribution of web services is delayed or prevented by any cause beyond the control of the publisher.

17. The Publisher may provide voucher copies for published advertisements in electronic form only subject to certain criteria. Further information is available on request.

18. The copyright of advertisements produced wholly or partially by the Publishers belong to the Publishers. Advertisers may not reproduce such advertisements without the Publishers' consent.

**Box Numbers**

Boxes are open for the receipt of bona fide answers and are not available for distribution of trade canvassing matter. Original testimonials, goods, cash, stamp or payments of any kind must not be enclosed. A box Number and postal address are charged as part of the advertisement, i.e. Box No., centre address. There is no charge for forwarding replies.

Box numbers alone are not available for use in 'Trade' advertisements, other than Employment and Business Opportunities.

**Holiday & Travel Category**

All advertising must contain the name of the advertiser, phone number alone are not permitted.

## WOODFORD BRAVE MUD

### Cross Country

With freezing conditions it was not the most attractive of expeditions to the northern wastes of Sunderland for the National Cross Country Championships.

Woodford were unlucky in the lead-up to the race losing Darren Southcott to a job interview in Switzerland and Angus Holford to tonsillitis. Barring accidents, it was easy to predict five of the scoring six, but who would close the team was more open.

The men's race was the 10th of the day on a course that had been churned through and re-churned to the point where finding a metre of firm going was a rarity amongst the thick, deep, wet, cold mud.

Team manager, Terry McCarthy, had found it difficult to drum up interest in this race, the Sunderland

venue not being the most popular.

Martyn Cryer, leading the Ken Bray Trophy consistency ranking this winter, set himself his usual targets of "gold, silver and bronze", being in this case top 40, 50 and 60.

At the halfway mark he was roughly on track, but one tough bend where he almost fell and lost half a dozen positions set off a negative chain reaction in which, in his words, "I was beaten by the mud".

Bertie Powell ran last week's Southern while ill, and was only recovering at the tail-end of this week. He said pre-race he would be happy with top 200 but he ran far better and almost caught Cryer with a mile to go before finishing 10 seconds down in 132nd place. Woodford's 21st place was well down on the performances of recent years.

The club were 10th Southern club but it was notable that only 18 clubs from the Southern region closed 6 men! Just 3 Essex clubs did so - apart from Woodford there were Newham in 7th and Eton Manor in 72nd. Woodford were also one of just 37 clubs to close 9 men, finishing 22nd.

Team Manager Terry McCarthy underlined the club's philosophy that "It's the National - we have to represent the club in the National, however strong our team may be."

"It's sport and we shall take the rough with the smooth. And all this mud and shivering - it's part of what makes the National such a great event."

Four Woodettes made the journey north for the Senior Women's fixture; while two others contested the Junior Women's fixture.

## Solomon takes silver medal

CANAAN Solomon took silver medal for Woodford Green Athletics Club in the under 15 boys race at the South of England Cross Country Championships at Parliament Hill.

Solomon was only four seconds behind surprise winner Alex Hampson (Nene Valley Harriers) and the same as his own advantage on Herne Hill's Ed Olsen in third.

Behind Solomon in the places stakes came Ed Shepherd (U20M) who finished just outside the medals in fourth place, 10 seconds down on the bronze medallist in the 8km race - a fine effort in his first winter with the club.

Jessica Burgess's good form continued as she impressed again with an excellent ninth in the U17W event; team-mate Amelia Barrett was 56 seconds back in a fine 18th place with Steph Smith picking up 97th.

Sidnie Sales was Woodford's sole representative in the U20W coming 11th in a field where Emelia Gorecka (AFD) outclassed the rest in winning by 24 seconds and had crossed the line before the third placed runner had appeared at

the top of the last hill. U13G Isabella Hoy was disappointed with her 14th place but with the first 55 runners all within 90 seconds of the winner any hint of being off colour can easily mean a difference of 10 places - certainly, the conditions did not favour her.

For the U15G, Rosie Poole (24th) and Jodi Ratcliff (35th) had impressive runs and they were well supported by Alicia McArdell (66th) just 36 seconds behind Ratcliff. Woodford's sole complete team (U15B) finished 21st overall with Harry Cavell (167), Loren Alleyne (184) and Taylor Reece (186) to back up Solomon's second place.

indoor season, stepped down to 800m for the England U/20 Championships, and showed great form as he won in 1m50.59 secs.

In the U/20 shot, Youcef Zatat made a big improvement to his personal best with a distance of 17.20m to take silver.

Tom Phillips' gold medal from Sheffield came over 1500m where he recorded 3m56.75 secs, and Alex Cornwell's silver was over 3000m losing out in a tight finish to James Thie with 8m40.24 secs, having recorded 8m22.92 secs in his heat.

## Athletes tackle the great indoors

### Athletics

The indoor season continued for Woodford athletes, with the England Age Group Championships in Birmingham and the BUCS Championships at Sheffield.

Performances from Birmingham were led by a gold medal from Matt McLaughlin and a silver for Youcef Zatat, and from Sheffield a gold from Tom Phillips and a silver for Alex Cornwell.

McLaughlin, who has enjoyed such a significant breakthrough over 1500m this

## Bobby tribute on night to forget for Hammers

### West Ham 2 Tottenham Hotspur 3

West Ham managed to snatch defeat from the jaws of victory on Monday evening after taking the lead in the London derby game against Tottenham Hotspur at Upton Park.

Garath Bale continued his astonishing run of form with a brilliant last-gasp winner to make the final score 3-2 and lift Spurs into third place in the Premiership table while the Hammers dropped to a worrying 14th.

Bale had put his team ahead before an Andy Carroll penalty and a second half strike by Joe Cole, his second goal since returning to the club, had put West Ham in the driving seat.

Jussi Jaaskelainen was giving a goalkeeping masterclass in the Hammers' area and the hosts really should have wrapped the game up, but having been put clean through Matt Taylor saw his shot blocked by the outrushing Lloris.

West Ham boss Sam Allardyce said later: "When you're one-on-one with the goalkeeper you've got to score."

"I don't think Tottenham would have come back from that."

Spurs refused to lie down but a Gulfi Sigurdsson equaliser looked to have assured that the points were at least to be shared - until Bale stepped up in stoppage time to unleash a stunning strike into the top corner from 30 yards, sealing victory for Tottenham and leaving West Ham to wonder how they had come out of the game with nothing.

The teams were led out on the night by the grandchildren of legendary West Ham and England skipper, Bobby Moore, on the 20th anniversary of his death.

## Romford girls narrowly miss out on glory

### Futsal

ROMFORD'S Frances Bardsley School for Girls narrowly missed out on second place in the Essex County FA under 16s futsal competition.

Six boys teams and five teams of girls took part in the county stage of the competition at the The College in Braintree with

Sandon School, Chelmsford, and St Martin's from Hanging Hill Lane, Hutton, heading to the next stage at Gosling Park Sports Centre, Herts, in June.

Sandon won the boys' category ahead of runners-up Shenfield High, while St Martin's won all four of their games in the girls' tournament, with debutants Maltings Academy

from Witham finishing runners-up ahead of Frances Bardsley School for Girls by goal difference.

Futsal differs from regular five-a-side, with differences such as marked lines rather than rebound boards, meaning the ball can go out of play, and focuses on closer ball control, touch and technique.

## Joy hopes for happy selection news

### Hockey

A WALTHAM Forest Hockey Club player is waiting to hear whether he has made the East region squad of 18 for the regional championships in May.

Gary Joy attended the finals session for the East region and took part in 3x30 minute games in a sport which he only took up in 2007.

Since then he has progressed through the club's sides, captaining the men's fourth, third and mixed team.

He has played as high as the men's seconds and has completed his L1 coaching qualification, and is supporting the new youth section at the club.

HOPEFUL: Gary Joy

Getting in touch with organisers of the East over 50s trials, he was invited last November for a trial session at Cambridge University.

Off the back of this, he was not only invited back to the second trials date yesterday, but was also asked to represent Essex in the semi-finals of the regional competition.

He played the entire game which finished 2-2 but unfortunately Essex went out in the resulting penalty flicks.

Now Gary is waiting to hear if he has been called up for the regional championships at Beeston in May.

He said: "It was a fantastic experience and to play representative sport, for the first time in my life was an amazing and proud moment. I'd never have thought it was possible and am so proud to have represented the club in this fashion."

"I'd like to thank all the coaches and players at the club that have helped me over the years and still can't quite believe I've represented my county."
